Fiona,

I will try and move the meeting back, but how do you want me to put this time on my timecard ??

Natalie

You have only been trained on how to handle the new changes from a PSC perspective not a physician office which you will need to know. You will need to be brought up to speed on those changes.

Please ask if you can start your meeting at 12:45 the call should not take that long.

Fiona Bork
Laboratory Sales Manager
